Are there any restrictions with respect to the coverage?

The following waiting periods since the date of hire will be required in order to obtain the coverage for certain services. The following services are outlined:

- ! 3 months for gynaecological, urological and cardiological check-ups, clinical neurophysiology, ultrasounds, density bone scan, non-interventional radiology.
- ! 6 months for CT scan, MRI, OCT, physiotherapy and rehabilitation, birth preparation sessions.

Where am I covered?

Málaga and Córdoba.

What are my obligations?

- ✓ Paying the premium according to the terms and conditions of the contract.
- ✓ Declaring to the Insurance company before the contract completion any known circumstance that may influence the risk assessment.
- ✓ Informing the Insurance company about any change involving the nature and circumstance of the risk and about any fact that may affect or modify the risk during the contract term.
- ✓ Providing the Insurance company any paperwork and medical information required in order to assess the coverage of the cost of the service.
- ✓ Reducing the consequences of the accident by pulling out all the stops for a speedy recovery.

When and how do I pay?

The policyholder will pay the premium by direct debit unless otherwise agreed in the Particular Conditions. The first premium is required after signing the contract. Such premium is annual and can be divided into semi-annual, quarterly or monthly periods without surcharges.

When does the coverage start and finish?

The insurance is stipulated for a period of time appointed in the Particular Conditions and, unless otherwise agreed, the duration of the policy will be adjusted to the natural year and will be implicitly extended for annual periods.

How can I cancel the contract?

The insured person, via written notification, can refuse to extend the contract for no reason with at least one-month notice regarding the current due termination date.
